George & Lisa Schott
Co-Chairs, Parrot Heads of Central Florida -Fruitcakes in the Alley 2010
4521 Old Carriage Trail
Oviedo, FL 32765

Dear George & Lisa:

There are no words to adequately thank you and the Parrot Heads who under your leadership put together the **2nd Annual Fruitcakes in the Alley Tournament!** However, on behalf of the kids and adults living with arthritis that will benefit from your gift of **\$15,350.00**, let me express our heartfelt gratitude and thanks for the many hours and efforts put forth on our behalf to make this year's event an even bigger success in ever sense of the word than last year's tournament.

In two short years, the Parrot Heads have made the Arthritis Foundation –Central Region the beneficiaries of \$25,350.00 without asking anything in return. This kind of love and generosity is something that doesn't happen very often and when it does, we are left feeling deeply moved and deeply appreciative! Especially when we've had the chance to see first hand, by sitting in on a few of your committee meetings, the loving playful spirit that all of the FITA committee puts into their donation of time and enthusiasm. It's so contagious, that it's lead both me and one of our best volunteer families (the Haas Family) to join the Parrot Head's organization.

In addition, the event itself was such a fun and joyful occasion for all who attended that I can't remember the last time I saw so many people having so much fun at a charity event! It certainly lived up to your mission of partying with a purpose. We hope that as the event continues to grow that we will be able to continue to help support it in anyway we can by spreading the word throughout the state of Florida.

Your donation will support our mission of improving lives through the leadership in the prevention, control, and cure of arthritis and related diseases. The vast majority of the money we raise goes towards research for a cure, but also for sending kids with arthritis to summer camp and life improvements programs. Thank you so much for all you have done and continue to do!

Sincerely,

Tony Ward
Community Development Director
Central Region
